

# Create an Account in Sendgrid

Team ID	PNT2022TMID11680
Project Name	Smart Fashion Recommender Application

Step 1: Navigate to <https://sendgrid.com>

Step 2: click on **“start for free”** and register yourself by entering required details and click on create an account.

The screenshot shows the Twilio SendGrid login page in a web browser. The browser's address bar displays 'app.sendgrid.com/login'. The page features the Twilio SendGrid logo at the top. Below the logo, there are input fields for 'Username' (containing 'nitheesh.19102001@gmail.com') and 'Password' (masked with dots). A 'Forgot your password?' link is positioned below the password field. A blue 'Log In' button is centered below the inputs. Below the button, a link reads 'Log in with single sign-on (SSO) instead'. At the bottom of the login form, a message states 'Don't have a Twilio SendGrid account? Sign up now!'. The browser's tab bar at the top shows several open tabs, including 'IBM', 'IBM-Project-21525-1', 'PDF to WORD | Convi', '(3) WhatsApp', 'IBM-Project-37443-1', 'IBM Cloud', and 'SendGrid'. The bottom of the browser window shows a taskbar with icons for 'Install cloud cli.docx', 'Docker CLI Install...docx', and 'Create an Accou...docx', along with a 'Show all' button.

Step 3: Now we have create an account in Sendgrid and got access to Dashboard.

The screenshot displays the Twilio SendGrid dashboard. The browser's address bar shows 'app.sendgrid.com/guide?from=profile&integrate=true'. The dashboard has a left-hand navigation menu with the user 'NITHIEESH Sasiku' at the top. The menu items include 'Dashboard', 'Email API', 'Marketing', 'Design Library', 'Stats', 'Activity', 'Suppressions', and 'Settings'. Below these is a 'Twilio SMS' section with a 'NEW' badge. At the bottom of the menu, there is a 'REPUTATION' bar at 100% and a 'VIEW ACCOUNT USAGE' link. The main content area is titled 'Welcome, NITHIEESH!' and includes a sub-header 'To get up and running quickly, please follow the steps outlined below.' Below this is a large blue banner that reads 'Send your first emails with Twilio SendGrid'. Under the banner, the section 'Send your first email' is active, with a sub-header 'Choose one of these common ways to send email. You can always explore the other options later.' There are two main cards: 'Integrate using our Web API or SMTP Relay' (described as 'Easily send API-driven email from your application.') and 'Build and send using Marketing Campaigns' (described as 'Build engaging email marketing campaigns that deliver results.'). Each card has a blue 'Start' button. Below these cards, a section titled 'Integrate with third-party applications' is partially visible. The browser's tab bar and taskbar at the bottom are identical to the previous screenshot.
